

Hello UNT!

Are you ready for the next big thing?

So are we.

We are looking forward to meeting you! Come learn more about us and all of the exciting opportunities we have available for co-ops. We want to learn more about you too.

At Texas Instruments, you'll work with the best and the brightest on challenge-filled projects that can change the world.

We have exciting opportunities available in the six-month co-op program in the Finance organization:

TI has a dynamic co-op program for undergraduate and graduate students looking for exciting careers in finance, accounting and supply chain/industrial engineering. The six-month program provides invaluable experience working in the fast-paced high-tech industry. Our co-ops go right to work! You will be a contributor, not a trainee, as you become

familiar with the company's business systems and methods of operations. The co-op assignment will begin in January and end in June 2012. Another co-op assignment will begin in July and end in December 2012. Assignment locations: Dallas, Houston, or Sherman, Texas.

Where to Apply: Campus Career Center Job Posting and www.careers.ti.com,
Req # 700BR

When: Now! Career Fair is 9/14 and On-campus interviews will be conducted on 10/14 and 10/24!!

See Career Center for deadline to submit resume for consideration!

Talk to us about the possibilities, or learn more about the position at careers.ti.com
